

2024 - 2025 Student Dress Code

For students in Grades 1-8, the Sullins uniform is meant to reflect pride in oneself and in the school community. Students are to be neat and well groomed at all times. Extremes in dress and grooming are not allowed. A uniform implies a similar presentation of dress and appearance for all students.

LANDS' END is our source for uniform items. Sullins Academy receives 3% of sales from uniform and spirit wear purchases. **All shirts, polos, and outerwear must be purchased from Lands' End and listed as approved dress code items for Sullins Academy. Dresses, jumpers, skirts, and skorts must also be purchased from Lands' End.** Pants or shorts that are not purchased from Lands' End must be approved and may not be an acceptable substitution.
