

2023 - 2024 Student Dress Code

For students in Grades 1-8, the Sullins uniform is meant to reflect pride in oneself and in the school community. Students are to be neat and well groomed at all times. Extremes in dress and grooming are not allowed. A uniform implies a similar presentation of dress and appearance for all students.

LANDS' END is our source for uniform items. Sullins Academy receives 3% of sales from uniform and spirit wear purchases. Any item that is not purchased from Lands' End must be approved and may not be an acceptable substitution.

1. The first three dress code infractions (clothing or hair) will result in a note to parents.
2. After the third infraction, the student's parent(s) will be notified, and the student will receive detention.
3. Subsequent dress code infractions will result in the student staying in the office until proper dress can be obtained.
4. If dress code violations continue, the parent(s) and student will meet with the School administration to find a resolution.
